

SENATE BILL 822
PRINTER'S NO. 840

SPONSOR: Sen. Smucker

The legislation amends the act of August 15, 1961 (P.L. 987, No. 442), known as the Pennsylvania Prevailing Wage Act.

Section 2(3) of the act (Definitions) is amended to further provide definitions of maintenance work.

Maintenance work shall include:

- Replacement of guiderails, pipes, line painting and other road equipment.
- Repair of pavement by laying certain amounts of bituminous material or cement, including associated milling.
- Patching of concrete surfaces.
- Widening of existing alignment that does not result in additional lanes.
- Bridge cleaning, washing, resurfacing with blacktop or minor nonstructural repairs.

Effective in 60 days.
